

## LTU double diploma marking procedure

Instruction for this year regarding the double diploma from Toulouse, in particular point 3.

1. Students should send a recto-verso (2 pages) summary of their project (e.g; background, method(s), major result(s), conclusion(s)) before the 16th September 2018 to [spacemaster@irap.omp.eu](mailto:spacemaster@irap.omp.eu). This will be taken into account in the marking.
2. Students should send the FINAL version of their thesis (PDF) with target date 16th September 2018 to [spacemaster@irap.omp.eu](mailto:spacemaster@irap.omp.eu). There are no specific requirements for UPS other than those asked for by LTU.
3. Students must have submitted their thesis and have had it examined in LTU before 30th September 2018.
4. Note that end of September is a firm deadline and that once the list for this academic year is closed by our administration (around the first week of October) there will be NO possibility to obtain the double diploma from Toulouse.
5. For students who are awarded the diploma from Toulouse, information will be sent around January 2019 on how to get the certificate. Certificates are printed at national level and we can do nothing to speed up the process.
